Bachelor of Education (B.Ed)

FACULTY OF EDUCATIONAL SCIENCES AND LITERATURE

“At PSB University, Cambodia, our **Bachelor of Education (B.Ed)** program equips future educators with the knowledge, skills, and practical experience needed to create meaningful impact in classrooms worldwide. This internationally recognized degree emphasizes modern teaching methods, cultural understanding, and global perspectives in education making it the ideal choice for students seeking a high-quality learning experience in a multicultural setting.

Through a balanced curriculum that combines theory and hands-on practice, students gain expertise in curriculum design, classroom management, educational psychology, and inclusive teaching strategies. Our dedicated faculty, comprised of experienced educators and international scholars, ensures that students receive mentorship and support throughout their academic journey.”

Why Choose Our B.Ed Program?

- **Globally Relevant Curriculum:** Explore innovative teaching techniques, curriculum design, and educational technologies aligned with international standards.
- **Practical Teaching Experience:** Gain confidence through internships and teaching practicums in real classroom environments.
- **Expert Faculty:** Learn directly from experienced educators and researchers committed to shaping the next generation of teachers.
- **Pathways to Success:** Prepare for teaching careers worldwide, along with opportunities in curriculum design, education administration, and policy development.

International Accreditations & Recognitions

At PSB University Cambodia, we take great pride in our international accreditations and memberships, which reflect our strong commitment to world-class education standards. These recognitions guarantee that our programs meet the highest benchmarks of quality, providing our students with global credibility and pathways to international opportunities.

Accreditation Committee of Cambodia (ACC) – Full Accreditation

Recognizes PSB University as a nationally accredited institution, ensuring compliance with Cambodia's higher education quality standards and strengthening its credibility for both local and international students.

IAU (International Association of Universities)

Connects PSB University to a global network of higher education institutions, encouraging innovation, collaboration, and knowledge exchange.

WES (World Education Services) Approval

Validates that our degrees are recognized internationally, accepted by employers and universities across the globe for academic and professional growth.

INQAAHE (International Network for Quality Assurance Agencies in Higher Education)

Membership aligns PSB University with worldwide best practices in quality assurance, fostering continuous improvement in higher education.

ASIC (Accreditation Service for International Schools, Colleges & Universities)

Accredited for maintaining rigorous academic and operational standards, ensuring globally recognized quality in education delivery.

Times Higher Education (THE) – Premier Membership

Highlights PSB University's commitment to global academic excellence, positioning it among internationally recognized institutions for teaching quality, research innovation, and societal impact.

International Accreditations & Recognitions

International Association for Quality Assurance in Pre-Tertiary & Higher Education (QAHE)

QAHE adheres to internationally recognized standards for quality assurance in higher education, including academic and education accreditation.

International Education Accreditation Council (IEAC):

IEAC accreditation serves as a seal of approval, assuring students, parents, and stakeholders that an institution meets or exceeds established standards for quality education, instilling confidence in the educational process and outcomes.

IAU (International Association of Universities)

Connects PSB University to a global network of higher education institutions, encouraging innovation, collaboration, and knowledge exchange.

AACSB Membership

It represents the highest standard of excellence in business education, recognizing institutions for rigorous evaluation of mission, faculty, curriculum, and performance. Only 6% of business schools worldwide hold this distinction, reflecting exceptional quality and continuous improvement.

The Ministry of Education, Youth & Sport

The Ministry of Education, Youth & Sport is the government ministry responsible for promoting and regulating education, youth and sport development, in Cambodia.

Ministry of Cults and Religion in Cambodia

Established in 1992, it oversees religious institutions and promotes harmony. While not directly involved in higher education, it supports universities on matters of religious diversity and tolerance.

ASEAN University Network – Quality Assurance (AUN-QA)

PSBU is a member of the ASEAN University Network – Quality Assurance (AUN-QA), enhancing its academic reputation, collaborations, and regional mobility. Through AUN, PSBU engages in exchanges, faculty development, and research, reaffirming its commitment to excellence and global integration.

Who is this B.Ed. for ?

CURRENT TEACHERS , ASPIRING TEACHERS

The Bachelor of Education (B.Ed.) at PSB University is designed for two distinct yet equally important groups:

- ◆ **Current Teachers** – Already teaching in their own countries, seeking to upgrade their academic qualifications and strengthen their professional practice.
- ◆ **Aspiring Teachers** – Students who are preparing to step into the teaching profession, equipping themselves with the knowledge and skills to inspire future generations.

By addressing both groups, the program creates a unique environment where experience meets ambition, allowing knowledge sharing and professional growth across borders.

VALUE OF THE PROGRAM

A central highlight of this B.Ed. program is the Philosophy of Education module, which goes beyond theory to explore global education systems. Students gain comparative insights into the teaching and learning models of Japan, the United Kingdom, and other leading education systems worldwide.

THIS GLOBAL PERSPECTIVE PROVIDES:

***For Current Teachers:** New methodologies, international best practices, and fresh perspectives to apply in their local classrooms.*

***For Aspiring Teachers:** A deeper understanding of diverse educational models, preparing them to become innovative educators with a global outlook.*

WHAT IS PSBU FACULTY OF EDUCATIONAL SCIENCES AND LITERATURE ?

The Faculty of Educational Sciences and Literature at PSB University is dedicated to preparing the next generation of innovative, globally minded educators. Through a curriculum that blends theory, practice, and international perspectives, the faculty equips students with the knowledge, skills, and values needed to excel in modern classrooms and educational leadership roles worldwide.

Our programs emphasize curriculum design, educational psychology, inclusive teaching, and educational philosophy, enabling students to understand and apply best practices from leading education systems such as Japan, the United Kingdom, and other global models.

The Faculty's mission extends beyond teacher preparation — it fosters academic inquiry, creativity, and cross-cultural understanding through international collaborations, research initiatives, and student exchange opportunities.
