Data Protection and Privacy Policy

Purpose:

To safeguard personal data belonging to students, staff, and other stakeholders in accordance with applicable laws and best international practice.

Policy Statement:

PSBU is committed to protecting the privacy and confidentiality of personal information, ensuring that data is collected, stored, and used responsibly and lawfully.

Procedures:

- Personal data must be used only for legitimate academic or administrative purposes.
- Access to data is restricted to authorised personnel.
- Data breaches must be reported immediately to the Registrar and Data Protection Officer.

Review:

Reviewed annually by the Data Protection Officer.

Next review date: 20th August 2028
