## Health, Safety and Environment Policy

### Purpose:

To promote a safe, healthy, and sustainable environment for all members of the University community.

### Policy Statement:

PSBU is committed to preventing accidents, maintaining wellbeing, and minimising environmental impact through responsible management and continuous improvement.

### Procedures:

- All staff and students share responsibility for maintaining safety standards.
- Incidents and hazards must be reported immediately to the Safety Officer.
- Regular safety audits and emergency drills will be conducted.

### Review:

Reviewed annually by the Health, Safety and Environment Committee.

Next review date: 20<sup>th</sup> August 2028
