Date:

Quality Assurance Policy

Purpose:

To ensure the continuous improvement of academic standards, institutional effectiveness, and the quality of learning, teaching, and research at PSBU.

Policy Statement:

PSBU is committed to maintaining and enhancing quality across all aspects of its operations through systematic review, stakeholder engagement, and compliance with national and international standards.

Procedures:

- Each faculty and department must conduct annual self-assessment reports.
- Internal quality audits are undertaken by the Quality Assurance Office.
- Recommendations are reviewed by the University Academic Council and implemented accordingly.

Review:

Reviewed biennially by the Quality Assurance Office.

Next review date: 20th August 2028
