Resource Allocation Policy

Purpose:

To provide a fair and transparent process for distributing financial and material resources across the University.

Policy Statement:

Resource allocation will reflect institutional priorities, equity, and the efficient achievement of PSBU's academic mission.

Procedures:

- Allocation requests are submitted during the annual planning cycle.
- Decisions are based on data, performance outcomes, and strategic relevance.
- Allocations are reviewed periodically to ensure effective utilisation.

Review:

Reviewed biennially by the Finance Office.

Next review date: 20th August 2028
