Awarding of Degrees Policy

Policy owner: Academic Board

1. Purpose

To ensure degrees and academic distinctions are awarded fairly, consistently, and in accordance with approved standards.

2. Scope

Covers all qualifications conferred by PSBU, including honorary awards.

3. Principles

- Awards are granted only after fulfilment of all academic requirements.
- Degree classification must be determined using approved algorithms and assessment boards.
- Honorary degrees may be awarded to individuals who have made exceptional contributions to education or society.

4. Responsibilities

- **Assessment Boards:** confirm results and classifications.
- **Academic Board:** recommends awards for approval by the University Council.
- **Registrar:** issues certificates and maintains the official record of awards.

5. Integrity and Verification

- All awards are verified through secure records and may be authenticated upon request.
- Replacement certificates follow strict verification procedures.
