Credit Transfer Policy

Policy owner: Registrar's Office

1. Purpose

To outline the procedures for recognising and transferring academic credit from other institutions to PSBU.

2. Scope

Applies to undergraduate and postgraduate students seeking recognition of prior study at other accredited institutions.

3. Principles

- Credit transfer is based on comparability of learning outcomes, content, and level.
- Credit must come from accredited or recognised institutions.
- Maximum transferable credit will be specified by programme.

4. Procedure

- Applicants must submit official transcripts and course syllabi.
- Evaluation conducted by academic staff in consultation with the Registrar.
- Final approval rests with the Academic Board.

5. Limitations

- No double counting of credit.
- Grades from transferred courses will not normally affect PSBU GPA.

6. Review

Policy reviewed every three years.
