Preah Sihamoniraja Buddhist University Awarded Prestigious ETHOS UNIVERSITAS 2026-2027 Certification

We've got some incredible news to share today that marks a massive turning point for higher education in Cambodia. Preah Sihamoniraja Buddhist University has just been officially awarded the ETHOS UNIVERSITAS 2026-2027 certificate. It's a major international "stamp of excellence" that recognizes universities for their integrity, quality of teaching, and commitment to social values. For PSB University, this means they've been recognized as a top-tier institution that doesn't just teach from books, but truly builds character and wisdom in its students. It's a huge win for the faculty and students who have been working tirelessly to put the university on the global map.

The Ethos Universitas recognition is part of a prestigious global initiative coordinated by the PCU Committee, which is officially recognized by Panathlon International. This alliance represents a network of over 150 universities across 50 countries, all dedicated to a shared mission: placing ethics, transparency, and social responsibility at the heart of higher education. Rather than focusing solely on academic research output, the Ethos Universitas program evaluates institutions based on their "moral compass"; looking at how they foster academic integrity, empower the student voice, and practice ethical governance. It is essentially the "Olympic Spirit" applied to the academic world, honoring institutions that bridge the gap between high-level scholarship and humanistic values. By securing this certification, PSB University joins an elite international community committed to shaping not just skilled professionals, but virtuous global citizens.

The celebration gets even better because the man leading the way has also been singled out for his extraordinary work. His Holiness Samdech Preah Abhisiri Sugandha Mahasangharajah Dhipati Bour Kry, the University's Rector, has been personally honored with the title of Honorary Companion Ethos Universitas 2026-2027. This is a deeply personal achievement that highlights his years of service and his vision for a university that blends deep-rooted Buddhist traditions with the needs of the modern world. It's a moment of "double victory" that proves when you have great leadership and a clear mission, the rest of the world stands up and takes notice. This recognition puts the university in an elite group of institutions worldwide, meaning the degree students earn carries more weight and respect internationally. It's about raising the bar for what education looks like in Cambodia.

By achieving this for the 2026-2027 term, the university is showing that it's ready to lead the way in ethical education. It sends a message that you can be modern and forward-thinking while still staying true to your spiritual and cultural roots. It's a proud day for the university, a proud day for His Holiness, and a very proud day for Cambodia. Huge congratulations to everyone involved in making this happen!

Rector's Message

Preah Sihamoniraja Buddhist University

H.H. Samdech Preah Abhisiri
SugandhaMahasangharajah
Dhipati **BOUR KRY** Samdech
Preah Mahasangharajah of
Dhammayuttikanikaya of
The Kingdom of Cambodia

The founder of the Preah Sihamoniraja Buddhist University would wish to give a vision and spirit based on the Buddha's teachings in order to set up a culture of peace, and a humanist, tolerant and harmonious mind in the present society. The enforcement of the Blessed One's teachings through higher education will facilitate understanding, solidarity and compassion between men and women in the same society. It will also spread more tolerant and friendly relations among all peoples.

The first aim of the Buddhist University is to allow the elaboration of a new tank of the best human resources, well-educated as well as in general training and the technical capacities than in the knowledge of the Buddhist principles and values. Its principle will also be the preservation of Buddhism, and Khmer cultures and traditions, providing necessary intellectual foundations for development of the modern Khmer society.

Being aware of the huge needs of the country, the Preah Sihamoniraja Buddhist University takes part strongly in the noble mission of the reconstruction and intellectual rebirth in the near future which the country needs. It has the will and capability to participate in this reconstruction, and it is able to train and to provide human resources, educated in the sufficient knowledge as well as in the fields of the Buddhist spiritual sciences than in the fields of the most modern technologies.

It will be a good asset to allow our younger generations to acquire adequate capabilities to face new challenges, and the complexity of the actual world and to understand the role of their country in this world. The younger generations will have the intellectual, spiritual and technical means in order to assure the continuity and the radiance of our culture, our civilization, and also the development of the economic potentials of the country to fight poverty.

Messages from H.E. Ngoun Sdechpheapkdey

Secretary of State Ministry of cults and religion in charge of Preah Sihamoniraja Buddhist University

Preah Sihamoniraja Buddhist University is a public university that gives 100% 4 years scholarship to all students from every corner in Cambodia. With this scholarship, we highly commit to offer higher education that bring hopes for all students, hope to graduate their degree with high knowledge, hope to get a well-paid job for family support, hope to have opportunity among other educated and hope to bring dignity for themselves and society within 3 main core values “Mercy, Consciousness and Intelligence”.

Our vision statement is “Enriching high potential human resource for social security, order and economic growth with prestige, dignity and trust both local and international”.

We, PSB University, are the hopes of all education seekers who are willing to accept our international educational agenda under the direct supervision and visions of the Rector of PSB University. Following to our vision we have accomplished a lot of successes either in local and international stages. One of the remarkable achievements is becoming an official member of International Association of Universities (IAU); and through that, PSB University becomes more and more advance in academic performance. Regarding to these, PSB University commits to provide good quality of education that apply to current and future global demands through developing our education system, teaching capacity, learning atmospheres and international education partnership.

To overcome this, we are building and upgrading our campus with modern facilities in which faculty members and students can develop and dedicate themselves to education and research at a global level. Also, with our endeavor to build the best in both education and research, it is very important that we adopt a student-centered approach to education to better meet our student’s needs and expectations.

PREAH SIHAMONIRAJA BUDDHIST UNIVERSITY STUDENTS PARTICIPATE IN ENVIRONMENTAL EDUCATION TRAINING TO UNDERSTAND CURRENT CHALLENGES AND CLIMATE CHANGE

Students from Preah Sihamoniraja Buddhist University recently participated in a training program on "Climate Change Impacts and E-Learning Platforms," organized in collaboration with the Advocacy and Policy Institute (API) and presented by Mr. Ek Viseth, Senior Study Program Officer at API, at the 9th Floor Independence Hall with approximately 70 student monks and students in attendance. During the session, Mr. Ek Viseth delivered a detailed presentation explaining the program's objectives, which focus on raising youth awareness of environmental issues and the impacts of climate change that have become major global challenges today. He emphasized that climate change significantly affects livelihoods, public health, and ecosystems, making the cultivation of youth awareness and active participation in environmental protection essential for sustainable development. He also introduced the electronic learning platform as an effective tool enabling student monks and students to study independently anytime and anywhere, through which participants can gain fresh knowledge regarding environmental issues, climate change, and solutions to help preserve natural resources and the environment. Throughout the training course, the student monks and students acquired valuable knowledge and experiences that can be applied in their daily lives and shared within their communities, contributing to the establishment of a well-informed society dedicated to environmental protection and sustainable development.

PREAH SIHAMONIRAJA BUDDHIST UNIVERSITY HOLDS DISCUSSION MEETING ON INTERNATIONAL DEVELOPMENT PROJECT PROGRESS AND SETS DIRECTIONS FOR EDUCATIONAL QUALITY DEVELOPMENT ALIGNED WITH INTERNATIONAL STANDARDS

On the morning of July 17, 2026, Preah Sihamoniraja Buddhist University organized a discussion meeting on "The Progress of the International Development Project of Preah Sihamoniraja Buddhist University" to review project implementation progress and set future mission directions for enhancing educational quality, research, and international cooperation. The meeting took place under the high chairmanship of His Excellency Ngoun Sdechpheakdey, Secretary of State In-Charge of PSB University, representing Samdech Preah Mohasangharaj Bour Kry, the Rector, with the participation of Mr. Sanjewaa Mahesh, International Project Director, Mr. Amirhossein Taghipour, International Research Advisor, as well as leadership, vice-rectors, management, professors, and civil servants of Preah Sihamoniraja Buddhist University. Speaking at the assembly, His Excellency Ngoun Sdechpheakdey expressed his welcome and praised the efforts of all leaders, management, professors, and staff who contributed to the fruitful implementation of the international development project, urging all stakeholders to continue strengthening cooperation, promoting curricula, research, and educational quality assurance to develop Preah Sihamoniraja Buddhist University into a quality higher education institution recognized on the international stage. His Excellency also highlighted that education must align with the Sustainable Development Goals (SDGs), especially the Pentagonal Strategy-Phase 1 of the Royal Government of Cambodia led by Samdech Moha Borvor Thipadei Hun Manet. Concurrently, Mr. Sanjewaa Mahesh presented the progress of the international development project, focusing on curriculum development, preparations for upcoming international conferences and research seminars, and the university's official website, noting that Preah Sihamoniraja Buddhist University is currently expanding its presence and prestige globally by joining key international educational networks and institutions such as QS World University Rankings, the International Association of Universities (IAU), Times Higher Education (THE), and many other international education networks. Furthermore, Dr. Mok Sarom, Dean of the Postgraduate School, raised the importance of article publications and called on professors, student-monks, and students to participate in research, considering it a crucial factor in enhancing educational quality, strengthening research capacity, and securing rankings in the Times Higher Education (THE) evaluations. Following the presentations and vibrant discussions, the meeting agreed upon several key directions and plans focused on revising curricula to meet international standards, strengthening professors' teaching quality, promoting educational, research, and training quality, organizing teaching management systems, and expanding cooperation with national and international institutional partners to respond to the needs of Buddhist higher education in the era of globalization and the Sustainable Development Goals (SDGs). The outcome of this meeting reflects the collective commitment of the leadership to continuously develop Preah Sihamoniraja Buddhist University into a high-quality higher education institution with strong competitiveness in accordance with international principles and standards.

PREAH SIHAMONIRAJA BUDDHIST UNIVERSITY ORGANIZES INTERNATIONAL SEMINAR ON "BUILDING EXCELLENCE THROUGH EFFECTIVE PARTNERSHIP MANAGEMENT"

On Saturday, July 18, 2026, Preah Sihamoniraja Buddhist University organized an international seminar on "Building Excellence Through Effective Partnership Management," under the supervision of the training process by His Excellency Ngoun Sdechpheapkdey, Secretary of State In-Charge of PSB University, alongside Mr. Sanjeeva Mahesh, International Project Director, Mr. Amirhossein Taghipour, International Research Advisor, university leadership, vice-rectors, and the management team of Preah Sihamoniraja Buddhist University. The seminar was presented by Mr. Kraisar Gilitwala, International Advisor for the International Development Project at Preah Sihamoniraja Buddhist University, and was attended by approximately 80 student-monks and students with the objective of enhancing understanding of the importance of partnerships and effective stakeholder management to strengthen cooperation and efficient institutional development. Speaking at the event, His Excellency Ngoun Sdechpheapkdey expressed profound gratitude to Mr. Kraisar Gilitwala for dedicating his valuable time to share knowledge and experiences with the student-monks and students, while also praising the active participation of all attendees who diligently studied, learned, and engaged in discussions during the seminar to build their knowledge and develop their capacities. Participating student-monks and students received certificates of attendance and recognition from Preah Sihamoniraja Buddhist University as encouragement and for practical use. During his presentation, Mr. Kraisar Gilitwala noted that the seminar program was organized into three main parts: a presentation on partnership management effectiveness, group discussions, and practical activities to bridge theoretical knowledge with real-world application.

Additionally, he defined partnership as a relationship between individuals, groups, or organizations that can influence or be influenced by various activities, policies, and decisions, emphasizing that key factors for effective partnerships include building trust, maintaining good communication, transparency, honesty, mutual respect, and ongoing cooperation. Furthermore, he highlighted the importance of stakeholder participation and management processes; encompassing identification, analysis, understanding, interaction, influence creation, and relationship maintenance; based on mutual trust and understanding. Following the presentation, the speaker opened a Q&A session with the student-monks and students to reinforce understanding, disseminate knowledge, and encourage the exchange of views on the discussed topics. The international seminar concluded successfully, providing new knowledge, experiences, and deeper insights to the student-monks and students regarding partnership management and effective cooperation, thereby contributing to human resource capacity development and fostering trusted and transparent partnerships.

DEPARTMENT OF FOREIGN LANGUAGES ENHANCES STUDENTS' CAPABILITIES IN INTERNSHIP PROCEDURES AND THESIS WRITING FOR THE 18TH GENERATION

On July 18–19, 2026, the Department of Foreign Languages at Preah Sihamoniraja Buddhist University organized an orientation and capacity-building session titled "Strengthening the Capacity of Students on Internship Procedures and Thesis Writing for the 18th Generation," dedicated to students majoring in English Teaching major. The event took place under the esteemed presence of Professor Chok Sophat, Head of the Department of Foreign Languages, with presentations led by Professor Suon Sokrearn, Deputy Head of the

Department, drawing a total of 28 participating students. The training session was designed to provide a comprehensive understanding of the procedures and standards for preparing and writing a Practicum Portfolio, alongside strengthening journal-writing skills through critical reflection on professional experiences and workplace activities. Furthermore, the program focused on refining skills in content organization, referencing, and professional report writing to ensure participants could compile accurate, high-quality portfolios that meet institutional standards. During his presentation, Professor Suon Sokrearn divided the core curriculum into five main sections: (1) recognition, biographical summaries, and trainee statements; (2) teaching guides, testing methodologies, observation notes, and evaluations; (3) lesson plans and instructional materials; (4) journal writing; and (5) reflective essays on academic studies. Beyond theoretical learning, the attendees engaged in collaborative group work to apply their new knowledge, share practical experiences through discussions, and adequately prepare for their upcoming internships. Concluding the event, Professor Dr. Chok Sophat expressed sincere gratitude to the speaker for sharing invaluable knowledge and experience, encouraged all participants to maintain dedication and continuous self-development for future academic and professional success, and wrapped up the session with the awarding of certificates of participation followed by a commemorative group photo.

SAMDECH PREAH MOHASANGHARAJ BOUR KRY GRACIOUSLY BESTOWS LETTERS OF APPRECIATION TO BENEFACTORS SUPPORTING THE HEALTH POST

On Friday, July 24, 2026, His Holiness Samdech Preah Mohasangharajah BOUR KRY, Rector of PSB University and Great Supreme Patriarch of the Dhammayuttika Nikaya of the Kingdom of Cambodia, graciously bestowed letters of appreciation to venerable monk officials, Excellencies, Lok Chumteav, Oknha, ladies, gentlemen, and generous benefactors who have made devout contributions to support the health post by purchasing medicines and medical equipment to provide free medical treatment to venerable monks, students, and citizens from near and far. The ceremony was also attended by Samdech Preah Buddhacharya Touch Sokvohar, Deputy Supreme Patriarch of the Dhammayuttika Nikaya of the Kingdom of Cambodia and Vice-Rector of Preah Sihamoniraja Buddhist University, along with His Excellency Ngoun Sdechpheakdey, Secretary of State In-Charge of PSB University, and Vice President of the Health Post, together with Excellencies, Lok Chumteav, Oknha, national and international distinguished guests, and staff members of the health post and university, totaling 40 participants in the first-floor health post meeting hall. Speaking on that occasion, His Excellency Ngoun Sdechpheakdey presented a report to His Holiness, President of the Health Post, regarding its progress, stating that the health post currently features a patient ward, an outpatient department (OPD) for first aid, a consultation room, a pharmacy, a blood laboratory, an ultrasound consultation room, a minor surgery theatre, a radiography room, and three ambulances. His Excellency added that the upper section of the

health post building is near completion and will soon be operational including a second patient ward, an ear, nose, and throat (ENT) examination room, a dentistry treatment room, and office rooms for staff. According to the report, in 2025, the health post provided treatment to 13,256 patient cases, while in 2026, up to July, there were 5,013 patient cases, incurring an expenditure of approximately 43,860 US dollars. Meanwhile, the monthly operating expense of the health post is approximately 3,600 US dollars for purchasing additional medicines and supporting volunteer staff who provide health services to the public. His Excellency also appealed to generous donors to continue their contributions so that the health post can sustain its free medical services for the public. Following the report, His Holiness expressed profound delight and gratitude to all benefactors who contributed funds, medicines, and medical equipment to support the humanitarian mission of the health post. His Holiness bestowed royal advice on the importance of health and engaging in meritorious deeds through humanitarian actions; particularly providing timely health services to monks, students, and citizens; while contributing to the promotion of community well-being and healthy living. Furthermore, His Holiness offered blessings of prosperity, good health, and the four Buddhist blessings of longevity, beauty, happiness, and strength to all benefactors and attendees. In conclusion, His Holiness Samdech Preah Mohasangharajah BOUR KRY graciously presented letters of appreciation to the venerable monk officials, Excellencies, Lok Chumteav, Oknha, and benefactors for their supportive contributions, followed by a commemorative photo session and a guided tour of the health post facilities.

PREAH SIHAMONIRAJA BUDDHIST UNIVERSITY ORGANIZES DISCUSSION MEETING ON TRAINING FOR THE "COLLEGIATE ENTREPRENEURS PROGRAM OF PREAH SIHAMONIRAJA BUDDHIST UNIVERSITY 2026" SEASON 2

As assigned by His Excellency Ngoun Sdechpheakdey, Secretary of State In-Charge of PSB University, Mr. Khim Darath, Deputy Director of the Postgraduate School and Head of the International Relations Office, led a discussion meeting on organizing training sessions for the "Collegiate Entrepreneurs Program of Preah Sihamoniraja Buddhist University 2026" Season 2. The meeting featured a presentation by Dr. Khat Bora, Senior Trainer, alongside 11 lead teachers and working group members on the morning of July 26, 2026, at the Postgraduate School meeting room. Mr. Khim Darath, representing the Secretary of State, expressed great joy and gratitude to the lead teachers for participating in mentoring students on business project creation for Season 2. Furthermore, he shared expectations that launching this second training cycle will achieve even greater success, showcasing the potential and capabilities of the students at Preah Sihamoniraja Buddhist University. During the meeting, Dr. Khat Bora, Senior Trainer, presented on slide preparation for participating students in the training and competition, emphasizing that students must structure their business pitch decks according to program conditions by focusing on eight key elements: (1) brand name and business title, (2) challenges faced, (3) solutions, (4) business operational model, (5) competitors, (6) revenue and expense models, (7) team structure, and (8) acknowledgments, which serve as core components and ingredients for clear, standardized business project presentations.

Concurrently, he delivered a detailed presentation on the curriculum lessons to prepare for training participating students, outlining essential lesson content to be taught: formulas for success, problem identification and solution finding, customer analysis, competitors, strengths, weaknesses, opportunities, and threats (SWOT), business ideation brainstorming, market strategy analysis and formulation, business model development, product development and prototyping, resource identification and analysis, revenue source and budget preparation, planning, and business project pitching. These lesson contents aim to equip students with the knowledge, skills, and capacities to create, develop, and manage business ideas clearly and effectively apply them in real-world contexts. Moreover, lead teachers must utilize detailed, easy-to-understand teaching methods based on specific data while demonstrating how each business project addresses customer needs; particularly supporting the Sustainable Development Goals; and empowering students to deliver engaging presentations that capture the evaluation committee's attention. As a result of the meeting, Preah Sihamoniraja Buddhist University established an implementation plan according to the scheduled agenda and timeline, while preparing to launch the "Collegiate Entrepreneurs Program 2026" training program on August 3, 2026.

PHD CANDIDATE MORN SOKHA PRESENTS RESEARCH FINDINGS ON "FACTORS INFLUENCING HOUSING PURCHASE DECISIONS OF MILLENNIALS IN THE GEOGRAPHY OF PHNOM PENH CAPITAL ADMINISTRATION"

On the morning of Saturday, August 1, 2026, at the 9th-floor Independence Hall of the Samdech Preah Mohasangharaj Bour Kry building, PhD candidate Morn Sokha, majoring in Public Administration Generation 2 at Preah Sihamoniraja Buddhist University, presented in the mock PhD dissertation defense program on the topic "Factors Influencing Housing Purchase Decisions of Millennials in the Geography of Phnom Penh Capital Administration." The mock defense ceremony was presided over by His Excellency Ngoun Sdechpheakdey, Secretary of State In-Charge of PSB University, with the participation of management, student-monks, and numerous students. During the presentation, the PhD candidate defended the research topic by deeply reflecting on the research problem, objectives, scope, and research methodology thoroughly in accordance with scientific research characteristics. Key highlights included reflecting on the private real estate sector as a valuable database for investors and real estate developers to better understand the characteristics, practical needs, and financial flows of the new millennium generation, as well as supporting the public sector by gathering inputs for the Ministry of Land Management, Urban Planning and Construction to formulate inclusive housing development and urbanization policies in response to growing new housing demands and socio-economic changes. Furthermore, the candidate presented key research findings contributing to social development, including understanding personal financial security through careful evaluation of financial viability and housing loans to avoid debt crises and maintain a balance between income and expenditure, as well as gaining deep insight into public administration support by highlighting citizens' living conditions to help the government establish mechanisms protecting public interests through efficient, rapid, equitable, transparent, and accountable administrative services. Following the presentation,

the PhD candidate received thorough review, evaluation, and recommendations from the specialized committee, consisting of Professor Dr. Mok Sarom, Dr. Hor Mengheang, Professor Dr. Chhun Hok, H.E. Dr. Oun Sivutha, Academy Doctor Som Sumony, and H.E. Dr. Chey Sarin. After detailed discussions, evaluations, and constructive technical feedback, the specialized committee decided to allow PhD candidate Morn Sokha to successfully pass the mock defense and proceed with final revisions for the official doctoral dissertation defense in the near future. This achievement also reflects the strong commitment of Preah Sihamoniraja Buddhist University to promoting scientific research quality and advanced human resource training to contribute to sustainable socio-economic development.

The event was presided over by His Excellency Ngon Sdechpheakdey, Secretary of State In-Charge of PSB University, with the participation of management, student-monks, and students totaling 26 attendees at the 9th-floor Independence Hall of the Samdech Preah Mohasangharaj Bour Kry building. The defense took place under the rigorous review, evaluation, and recommendations of a specialized committee comprising Professor Dr. Mok Sarom, Dr. Yen Sitya, Dr. Teng Delux, H.E. Dr. Chey Sarin, Dr. Khat Bora, and Academy Doctor Som Sumony. During the presentation, the PhD candidate elaborately explained the main objectives of the research, focusing on the analysis of five key types of credit: (1) total credit originating from financial markets, (2) total credit strictly from commercial banks, (3) credit strictly from microfinance institutions, (4) sector-specific credit disbursed by banks, and (5) sector-specific credit disbursed by microfinance institutions across fields such as agriculture, commerce, and real estate in Cambodia. The candidate further emphasized that researching these credit types is vital for understanding barriers hindering national economic development, mitigating systemic financial risks, and illustrating economic diversification. The study's findings

also serve as a basis for identifying priority investment sectors to drive sustainable economic growth while providing crucial data and insights for the National Bank of Cambodia, financial institutions, and investors in formulating policies and plans for more efficient financial resource allocation. Following the presentation, the evaluation committee highly praised and commended the candidate for successfully completing this significant research, noting that the dissertation provides a comprehensive and in-depth perspective on financial and microfinance sector reforms in Cambodia, closely aligning with key priorities in commerce and finance. Consequently, PhD candidate Hok Piseth successfully passed his mock dissertation defense, with his research reflecting the importance of cultivating analytical and problem-solving skills within banking and financial institutions while offering a robust foundation for policymakers to build cohesive economic support systems for human resource and national economic development in the new era.

STUDENTS OF PREAH SIHAMONIRAJA BUDDHIST UNIVERSITY STRENGTHEN ENVIRONMENTAL KNOWLEDGE THROUGH STUDIES ON "GREEN ECONOMY AND CIRCULAR ECONOMY"

Climate change has become a critical global issue today, demanding that everyone understand and participate in environmental protection to reduce impacts caused by the imbalance between resource consumption and natural conservation. These factors have driven the student-monks and students of Preah Sihamoniraja Buddhist University to further strengthen their environmental knowledge through studies on the "Green Economy and Circular Economy," taught by Ms. Phour Sophoeun, Advisor to the Institute for Advocacy and Policy, with electronic learning guidance provided by Mr. Ros Sopheak, ICT Specialist at the Institute for Advocacy and Policy, along with a total of 34 participating student-monks and students on the morning of Saturday, August 8, 2026, in the 9th-floor Independence Hall. During the teaching session, Ms. Phour Sophoeun explained the definitions and benefits of the green economy and circular economy to ensure that the student-monks and students could easily understand and apply this knowledge to disseminate it further within their communities. Furthermore, she highlighted key activities related to reducing pollution and protecting the environment, such as energy conservation, choosing eco-friendly transportation, reducing plastic consumption, recycling, and protecting natural resources. Concurrently, Mr. Ros Sopheak instructed the student-monks and students on how to access environmental lessons and various related courses through the e-learning platform, demonstrating the registration steps and the proper and clear use of email to facilitate study and expand their knowledge more broadly. Throughout the learning session, the student-monks and students were divided into groups to discuss and exchange views on lesson-related questions, such as the differences between a green economy and a circular economy, the contribution of the green economy to sustainable development, and social recycling activities. The active participation of the student-monks and students at Preah Sihamoniraja Buddhist University demonstrated the sense of responsibility of the younger generation in understanding and participating in the preservation of the environment and natural resources. The knowledge gained from this lesson will serve as a foundation for practical application and community dissemination to contribute to driving sustainable development and building a society with a beautiful environment.
