Environmental Policy

1. Purpose

To protect and enhance the natural environment within and beyond the PSBU campus.

2. Scope

Applies to construction, waste management, procurement, and energy use.

3. Policy Statement

Environmental impact assessments must be conducted for major projects. The university prioritises recycling, green spaces, and responsible resource management.

4. Responsibilities

- The Facilities Office oversees implementation.

Ngoun Sdechpheapkley
Vice Rector

Preah Sihamoniraja Buddhist University
