Staff Induction and Orientation Policy

Purpose:

To support new staff members in understanding the University's mission, values, policies, and working culture.

Policy Statement:

PSBU provides comprehensive induction programmes to ensure staff integrate effectively into their roles and the wider University community.

Procedures:

- The Human Resources Office coordinates induction sessions for all new staff.
- Academic and administrative departments must provide local orientation on specific duties and expectations.
- Attendance at induction is mandatory for all new employees.

Review:

Reviewed annually by the Human Resources Office.
